SUPPLEMENTARY INFORMATION:

The Applicable Statute and Regulations

Unless otherwise indicated, all citations to the statute are references to the provisions of the Tariff Act of 1930, as amended by the Uruguay Round Agreements Act (URAA) effective January 1, 1995 (the Act). In addition, unless otherwise indicated, all citations to the Department's regulations are to the current regulations as codified at 19 CFR Part 351 (1998).

Background

On August 31, 1998, the Department received requests for administrative reviews of these countervailing duty orders from the respondents for the period January 1, 1997, through December 31, 1997. No other interested party requested reviews of these countervailing duty orders. On September 29, 1998, the Department published in the **Federal Register** (63 FR 51893) a notice of "Initiation of Countervailing Duty Administrative Review" initiating the administrative reviews of respondents for that period. On November 24, 1998, respondents withdrew their requests for reviews.

Section 19 CFR 351.213(d)(1) of the Department's regulations stipulates that the Secretary may permit a party that requests a review to withdraw the request not later than 90 days after the date of publication of the notice of initiation of the requested review. In this case, respondents have withdrawn their requests for reviews within the 90-day period. No other interested party requested a review and we have received no other submissions regarding respondents' withdrawal of their requests for reviews. Therefore, we are terminating these reviews of the countervailing duty orders on cold-rolled carbon steel flat-rolled products and corrosion-resistant carbon steel flat-rolled products from the Republic of Korea.

This notice is published in accordance with section 751 of the Act and section 19 CFR 351.213(d)(1) of the Department's regulations.

Dated: December 7, 1998.
